To Dartmouth Monthly Meeting.

Dear Friends.

It is with a feeling of gratitude to our Heavenly Father for his assistance and the blessings bestowed upon us, that we present our annual report. The spiritual condition of our Membership on the whole is encouraging and we are hoping and praying that the attendance will be increased by our young people. Special Meetings have been held at Allen's Neck with good results, and the study of the "Life of Christ" has been taken by a class at Smith's Neck with great interest.
There is a need of greater faithfulness on the part of some in the practice of regular family devotion and Scripture reading.
In our Bible Schools and Christian Endeavor work the interest is increasing, and this is very encouraging, for from these branches will come forth our future church.

Respectfully Submitted

With three exceptions all our meetings have been regularly held, A good degree of Christian unity and fellowship is manifest, With few exceptions our members maintain a creditable christian character in their business relations and temporal affairs and many are in the practice of family worship - Through the Bible School and Christian Endeavor the children and young people are studying the Bible and endeavoring to practice its precepts and these lines of work have been a means of much blessing to all - Nearly all our members are clear of the use of intoxicating liquors and consistently manifest the principles of peace We fear our position in regard to judicial oaths is not understood or practiced. Report on State of Society

Our meeting with three exceptions have been regularly held and First day meetings well attended, there has also been a marked increase in attendance of the midweek meetings

1905 and we believe a great deepening in spiritual interest and that the members are drawn more closely together in the bonds of Christian fellowship since our last report — Most Friends are faithful in maintaining family devotions There is a deep interest on the part of our young people in the Bible School and Christian Endeavor work and we are glad to report that they not only take part in these but are also punctual in attendance at our First day morning meetings and many give evidence by their testimonies of having been born into the kingdom of the Lord and Saviour Jesus Christ

Nearly all our members are free from the use of intoxicating liquors, but not all as much interested as we would desire in furthering the cause of total abstinence — We fear some of our members are neglectful in regard to judicial oaths —

Rep apt.

The Queries have been read and we appoint Charles W. Goddard Philip A. Cornell, Sarah F. Potter, and Laura M. Kelley as representatives to attend the Quarterly Meeting to be held in New Bedford and the Clerk is directed to furnish any necessary extracts from our minutes and sign the same on our behalf —

The special meeting held in connection with our regular Monthly Meeting at Apponegansett in 9 mo. last was as were also our regular meetings usually spiritual. We were mutually helped & strengthened & encouraged by the presence of one of the Lord's servants Oscar Mathews, a minister from Sandwich whose earnest heart & heart talks will be long remembered.

The presence of the Divine spirit was felt in all the services. We would that the attendance had been larger.
