The committee on Cemeteries gave a verbal report which was approved. Harry W. Allen, Charles T. Gifford and Philip H. Cornell were appointed as a committee on Cemeteries for one year. We have been inspired by the message of our friend Errol Elliott of Richmond Indiana, Editor of The American Friends and Secretary of the Five years meeting. He informed us about the object of the Five years meeting in an official way but stressed the spiritual attitude. We are the ones and our spiritual lives in our local meetings constitute the Five years meeting. The responsibility was laid on each individual to be found "standing in his place." We have with us Friends from New Bedford meeting.

In loving memory of Charles T. Gifford, life-long member of Allen's Neck Meeting.

The Meeting and its work occupied the key position in his life and other interests took their places around it. He used his religion in his living as he used his square in his daily work, and the integrity of his life was seen by all.

With full devotion Charles Gifford served the Meeting for many years in various capacities, chief among them being Sunday-school superintendent and clerk of the Meeting of the Congregation. Believing <sup>that</sup> a citizen should help where possible in town affairs he gave long and faithful service on the Westport finance committee and as chairman of the school committee. Most children called him "Uncle Charles" and he loved them. He was full of vitality and enlivened many a situation with his humor. He enjoyed shooting and was an expert marksman. He was deeply happy in his home life, and among his pleasures were listening to fine music and growing beautiful flowers. Charles Gifford lived a good life and lived it abundantly.

Dear Friends--Clerks or Correspondents of Massachusetts;

Some months ago copies of the non-resident list of Friends were sent to Yearly Meeting Secretaries and others who might use them. I copied the lists for three states and sent them out, but the list for Massachusetts covered seven pages, single spaced typewriter paper. I did not have the nerve to tackle it.

Mentioning this at Salem Quarter, Floyd Moore expressed the hope that Friends of Lynn Meeting would be able to correct and copy the list. Thanks to the work of Carlton Jones, Millard Lawrence, Roland and Corinne Foster (with Corinne doing most or all the typing) we have some fourteen lists for as many meetings. These lists vary in length from two names to four pages--but to sort the names, get them all in order and copy them has been a job. We want to thank the Lynn people for all their work.

Herbert Huffman began compiling this list almost four years ago. Names came in slowly and only about one-half of the 900 meetings in the U. S. finally replied--but we hope there will be included in your list some names of individual who will become a very real help to the meeting and whom you may help in return. In many instances the list has been of great help--even new meetings having resulted as different ones learned how many were in a certain area, and have gotten together.

We hope each one named will be visited--although many you already know about. We hope each one can be worked into the fabric of meeting life, for we need all of these.

With best interest in and wishes for you and the meeting,

Sincerely,

Milton Hadley

Representatives to Sandwich Quarterly Meeting report their attendance.  
We gladly welcome Elsie M Sifford into membership with us.

The Treasurer brought to our attention the need of paying our obligations to the yearly meeting support. There was a committee appointed to have charge of collecting the necessary funds. Stephen S. Howland, Julia Cornell, Ola M. Conet and Mary E. Darol were chosen to serve.

This being our annual Roll Call meeting, many responses were read, altho the meeting was not well attended.

Calib Smith of Providence spoke to us on the Basis Principles of Friends' Belief, stating that the first was "Something of God in every man" and from that developed "That revelation of God is continuous; all believers are Priests of God - all of life is a religious concern with the inward Presence dominating our lives and love, the out working of the Divine Spirit." Business being finished we conclude purposing to meet at Smith's Neck next month the Lord permitting.

A Testimonial in memory of  
Robert F. Chace.

Whereas, God, in His infinite wisdom  
has seen fit to remove from our midst  
our dear friend and brother, Robert F.  
Chace, the Dartmouth Monthly Meeting  
of Friends, individually and collectively,  
has decided to pay this tribute to one  
who has contributed so much to the  
life of this community.

He was of a kindly disposition,  
devoted to his home, family, and  
church, and sought, by all means  
in his power, to advance the cause  
of Christ and His Kingdom, and so  
make this world a better place in  
which to live.

When moving to New Bedford, for a  
time a field of service in a city  
church was opened to him, but later  
he felt that the little church at  
Smith's Neck had greater need of him,  
so he has helped, and encouraged  
all branches of the work, especially in  
the Sunday School, where he has served  
as Superintendent, and also as  
teacher of a class of boys, who loved  
and respected him.

He was a student of the Bible, so  
with his lips he has taught the word  
of God, with his voice he has sung

God's praises, with his hands he has  
helped whenever the need arose, and  
his feet have carried him on many  
an errand of mercy. So his whole  
being was consecrated to God's service.  
He was "diligent in business" "fervent  
in spirit", serving the Lord.

The Smith's Neck Meeting, in particular,  
has met with a seemingly irreparable  
loss, but it trusts that like examples  
of Christlike living will inspire others  
to accept Christ as their Saviour,  
join the group, and become workers  
in the vineyard of the Lord.

He has well earned the commendation  
of the Master "Well done, good  
and faithful servant, enter thou  
into the joy of thy Lord".
