Report of the Committee
To the Monthly Meeting

We your Committee to view and inspect the meeting house at Newtown have attended to the subject of our appointment and it appeared to us from the decayed state of said house that the best method to inspect that Friends could pursue would be to rebuild and as friends there have entered into a subscription for that purpose thought it proper to inform thereof the friends of that particular Meeting have subscribed about \$400 provided it be rebuilt. About such a house as that in Smiths neck we think would accomodate them and as that sum with the materials that may be collected from the old house will be insufficient to finish the new one would therefore recommend if the Meeting thought well of it for friends to subscribe in their freedom towards the balance

To the monthly meeting
Dear friends - We the Committee appointed to
attend care to the meeting in South Church have paid
attention thereto and discussed nothing but that the
meetings were held orderly, and have been satisfied
that the appointment hath been useful to that
meeting - And it is our united opinion that it
would be still useful for the committee to be con-
tinued or a new one be appointed as the m^r. m.
thought best which we submit to friends signed
James Tucker, Joseph Gifford
which appears satisfactory. And his
apprehending that it may be proper and use-
ful that further care be extended, conclude
that the same committee be continued the
ensuing year - they to report at the expiration
and of said term.
