Our dear and well known Friend, Elizabeth Gidley, was born in Darlington on the first day of the fifth month 1758. She was married in the seventh month 1785. In the year 1798, she was taken from us with great regret and sorrow, in a manner that has caused much pain and distress to us all. She was a member of the church and was very useful in the public affairs of the Society. She had a kind heart and was always willing to help others. She was a shining example of piety and holiness, and her life was a constant testimony to the truth. She was a faithful worker in the church and was always ready to help those in need. Her death was a great loss to us all.

The place of her burial was in our town of Darlington, in the churchyard, where she was laid to rest in peace, having lived a life of faith and obedience to the will of God. She was a shining example of piety and holiness, and her life was a constant testimony to the truth. She was a faithful worker in the church and was always ready to help those in need. Her death was a great loss to us all.
